

### **New Town CareHut (After-school Student Care Service)**

1. Application is open to children who are Singapore Citizens or Permanent Residents.
2. Children of other nationalities may be considered on a case by case basis.
3. Priority in enrolment will be given to children from single parent /low income families.
4. Families who need financial assistance can apply for Student Care Fee Subsidy (SCFA) but parents need to be working. If child is not a Singapore Citizen, at least one immediate member of the family needs to be a Singapore Citizen in order to be eligible for SCFA consideration.
5. As part of the application process, parents must agree to a pre-enrolment home visit by CareHut staff to assess the needs of the family before the child is accepted.
6. Subject to availability, the school reserves the right to refer students who are in urgent need of after-school care as recommended by other agencies such as MSF.
