Dear Parents / Guardians,

PAYMENT FOR LEARNING RESOURCES AND ENRICHMENT PROGRAMMES 2022

1. We are pleased to inform you that the Government will continue to contribute \$230 to all Singapore Citizen students' Edusave account for the year 2022. The funds from this account can be used to pay for school-organised enrichment programme.
2. On the 27 April 2016, MOE introduced Edusave Enrichment Programme Standing Order (EPSO) to make the necessary deductions from your child's/ward's Edusave Account for all local enrichment programmes ONLY. If you have already authorised withdrawals, this one-time Edusave withdrawal authorisation will remain valid throughout your child's/ward's school years.
3. Overseas enrichment programmes are excluded from EPSO, as the Edusave withdrawal amount is generally higher. We will obtain ad-hoc Edusave withdrawal authorisations for overseas programmes separately.
4. Students (SC) who do not have sufficient Edusave funds and non-Singaporean students will have to pay using GIRO/SAM machine/cash/cheque.
5. If you have further enquiries, please contact my Admin Manager, Mr David Wong, at telephone no. 64748805.
6. Thank you for your partnership.

Yours Faithfully,

Mrs Tan Wie Pin

Principal
